Listen, Talk, Answer—Support Your Child's Learning

Most children come home every day with stories to share. Do you stop what you are doing and listen carefully? Your child probably asks a lot of questions. Do you try to answer them? If you do, then you already know the benefits of giving your child time and attention. Teachers call these daily conversations powerful interactions. They help adults and children keep in touch and enjoy being together. These interactions also support children's learning. Here are some communication tips.

Acknowledge and accept all of your child's emotions. Describe what you see your child doing rather than just saying, "Good job." Help your child make connections to familiar experiences, ideas, or information. Offer a small challenge to nudge your child to try something new or a bit harder. Repeat and extend what your child says to you. Use interesting words to build your child's vocabulary.

International Celebration

During the week of February 4th-8th Kids Klub will spend this week in celebration of diverse cultures around the world.

Children will have the opportunity to celebrate and learn more about their culture and others! We will explore Europe, Africa, North & South Americans, Australia and special celebration on Friday for Asia in honor of the Lunar New Year!

Parent Evaluations

We are looking to you for feedback on our center and programs in an effort to keep Kids Klub the most outstanding facility around. If you haven't already, please take a few minutes of your time to fill out an evaluation form. An evaluation form has been mailed out to each family or you may pick one up at the front lobby. Please give us your honest opinions. Your input will be very valuable to us in making decisions on improvements for the upcoming year.

We will continue to ask for your input, as well as our staff's, every year to keep our center and programs at top quality. We always want to know what is of

importance to you and your child.

Your input along with our staff's, should give us the information needed to prioritize our efforts and make decisions that will make the biggest positive impact on our centers.

We greatly appreciate your support and your time in filling out a survey. Thank you!

Kids Klub Holiday Extravaganza 2018
