

Coming Soon!

Happy Father's Day

We will be having a special event for our fathers on Friday, June 18th!

More information coming soon!

Daddy, I love you
For all that you do.
I'll kiss you and hug you
'Cause you love me, too.
You feed me and need me
To teach you to play,
So smile 'cause I love you
On this Father's Day.

Happy Fathers Day

Hoppy's Highlights

Kids Klub Summer Camp for Kindergarten- 5th grade begins on June 14th. If you know any school age children looking for a great summer camp experience, you can learn all about it at campkidsklub.com

Reminder

Please check your child's extra clothing supplies regularly and make sure they have a change of clothing for different weather conditions.

Thank you!

Kids Klub Bellevue ... Where Everyday Leads to a New Discovery!

Our bunnies class has been enjoying the sunshine and working on their large motor skills such as tummy time!

One of our bunnies has learned to walk just in time to move into the hedgehog classroom.

The hedgehogs get excited to turn their activities into a sensory experience.

Our hedgehogs had so much fun learning about wind using fans and feeling it blowing in their hair.

The starfish class learned about recycling, picking up trash and other ways to keep the earth clean.

One of our starfish friends found a caterpillar, we have been learning about the lifecycle of butterflies.

Kids Klub Bellevue ... Where Everyday Leads to a New Discovery!

The fox classroom took trucks out to the play area to pick up any garbage they could find for earth day.

While learning about the lifecycle of butterflies, the fox classroom made some colorful butterflies of their own!

Some hedgehog friends learning about stacking together while playing outdoors.

The bunnies have enjoyed relaxing in the swings on sunny days on the infant playground.

These starfish friends painted their own "earth" in celebration of earth day.

Mural painting outside in nature is a great way to use your imagination and work together to create art.
