Kids Klub South Pasadena ... Where Everyday Leads to a New Discovery!

The Bobcats explored the world of art by mixing different colors and using different methods to paint their pictures !

The bobcats learned that a Mandrake was a magical plant used by the wizards in the Harry Potter story. They enjoyed making their own Mandrake.

The Dragons have the ultimate test of trust, Dominoes! One wrong move from either player and all the hard work is gone. Luckily for the dragons team work makes the dream work.

While Traveling around the world, the Eagles visited Hawaii in the middle of some amazing Volcano Eruptions. They loved learning about chemical reactions.

The Eagles celebrated Children's Day by making Koinobori's. Koinobori's are flown across Japan to honor the children for a good future.

The Eagles love outdoor activities. The Ultimate Relay Race was especially challenging on their team work skills and endurance. May the trusted team win!
