Staff Spotlight

We're excited to shine the spotlight on Ms. Deborah! She has been working at Kids Klub for two years and has worked both the Daytime Program & our Evening & Weekend Program. She recently earned her Child Development Site Supervisor Permit and will begin her Teaching Credential Program this coming Fall. When Ms. Deborah is not working, she enjoys fitness & learning about wellness, staying active, baking, being outdoors, and hanging out with her dog, Scooby!

What is your favorite Mother's Day Tradition?

"For Mother's Day, both of my boys come to celebrate and my family just loves to spend the day together!"

"Mothers are like flowers, effortlessly blooming with love and grace, spreading their beauty wherever they go."
