Staff Spotlight

We're excited to shine the spotlight on our Evening & Weekend Director on Duty, Ms. Aurora. She has been working with children for almost 12 years and she cannot imagine doing anything else. Her favorite part of working at Kids Klub is the children, the families, and the staff. When Ms. Aurora is not at work, she will usually be at a theme park with her daughter! They have multiple season passes to different parks and they love making memories together! Come say hello on your next Evening & Weekend visit!
