**What is your favorite
thing about
Halloween?**

"My favorite part of Halloween has always been the feeling of the season. Growing up in Michigan, the air would turn crisp, the leaves would crunch under our feet, and my family and I would head out apple picking. It was the perfect autumn ritual. We would fill baskets with fresh apples, and when we got home, we'd press them into warm, homemade cider. To this day, that memory of harvest, family, and cozy fall weather is what makes Halloween so special to me."

"It's just a bunch of hocus-pocus."
— A.W. Jantha, "Hocus Pocus & The
All New Sequel"
