## Hoppy's Highlights

This month, we are celebrating all of our fathers here at Kids Klub. Our children have been working really hard on making their special Father's Day gifts. We are also hosting our annual Father's Day event. We welcome all fatherly figures to join us in celebrating you!

With our Pre-K Graduation just around the corner, we would like to invite all of our Pre-K Families to celebrate all of our graduates. Please check your emails for the formal invitation and important information for that special day. The fun will continue after Graduation, as Summer Camp will begin that Monday! We cannot wait!

## DID YOU KNOW?

We want to welcome Billie, our newest Floater and now the new Associate Teacher for the Blue Whales Class alongside Ms. Patty!

She started with us back in March, and we are so thrilled to have her at Kids Klub! In her free time, Billie enjoys making different types of art, cozying up with a good book, and cooking. Please join us in welcoming Billie to the Kids Klub team!

For Father's Day, my family and I go on a special Father's Day camping trip.

# Hoppy Spotlight

Mastering our dexterity and incorporating patterns into our butterfly art.

One of our infants practicing her trunk stability while balancing a ball in both hands.

Sorting and recycling our waste based on the material they are made of.

Our little chefs utilizing their hearing skills during Kitchen Creation!

Patently waiting as we slowly release our classroom butterflies outside.

Excited for our teacher winning the "Spin to Win" this month.
