Hoppy's Highlights

The month of November brings important learning themes to your children as we explore the concepts of thankfulness, family and the fall season. In preparation for Thanksgiving we will be learning about harvest fruits and vegetables, how farmers grow the food we eat and being thankful and feeling grateful. Family will be a central focus not only this month but all year and we will read many stories about many types of families and the differences and similarities families across different cultures have.

When the Dolphins graduate, Ms. Juliana transitions to being our Summer Camp Coordinator for Camp! When she's not at Kids Klub, Ms. Juliana loves to do Lagree, snowboarding, hiking, go to concerts, walk her dogs, and traveling. Her favorite place to go to is Hawaii and she even got married there!
