Hoppy's Highlights

This month, we are celebrating all of our mothers here at Kids Klub. Our children have been working really hard on making their special Mother's Day gifts. We are also hosting our annual Mother's Day event. We welcome all motherly figures to join us in celebrating you!

With summer transitions just around the corner, we want to invite all of our Preschool parents to our Meet & Greets. This is a wonderful time to get to meet your little one's new teachers. For our School Age children, we want to invite you to join us for our Summer Camp Orientation and Open House. Summer Camp at Kids Klub is such a fun experience, and we'd love for you to learn all about it!

Staff Spotlight

We're excited to shine the spotlight on Ms. Leslie, the Lead Teacher of the Dinosaurs Class! She has been a valued part of the Kids Klub family for 3 years and started off as a Camp Counselor! When she's not at Kids Klub, Ms. Leslie loves spending quality time with her family, going to concerts & music festivals, hanging out with her friends, and Entomology... the study of bugs!!

What are your Mother's Day Traditions?

For Mother's Day, I like to celebrate with a special brunch and a spa day.
