07/27 - 08/02 I-Spy Week

Hoppy's Highlights

With Water Play every Wednesday, the kids have been having so much fun in the sun. A friendly reminder to have your kids come in ready with their sunscreen and water play gear on! Please also make sure to have the kids in their water shoes and a towel ready!

Your children will enjoy the warm summer weather and they will be learning through water play in and around our playground areas with measuring and pouring skills, cause and effect of water with sand, water with soil, heating, cooling, liquids and flow - just a few of the lessons that fill the water play time. We will be spending as much time as possible in the beautiful summertime sunshine so please remember to put sunscreen on your child before bringing them to school and make sure their outdoor shoes can get wet and muddy. It is going to be fun and messy!

Staff Spotlight

We are so excited to shine the spotlight on our very own Ms. Noelli, the Associate Teacher for the 2-year-old Frogs class! She has been a valued part of Kids Klub for over 1 year and started off as a preschool floater. When she is not at Kids Klub, Ms. Noelli loves watching TV shows, reading, drawing, and discovering new matcha drinks! You will always find her with a smile! She loves building relationships with all of her students and their families!

What's Hoppy-ning!

Center Closure:

Friday, July 3rd, 2025

Water Play!

Every Wednesday, Through August 19th

Parent Orientation School Age

Tuesday, July 28th

6:30 - 7:30 PM

Mandatory for first time families!
This brief meeting is for parents whose children are starting in our School Age Program in September.

Director's Corner

What is your favorite summer tradition?

We have a big family reunion at the beach every year. We have a bonfire and make yummy smores!

"Home is people. Not a place."
— Robin Hobb
