Hoppy's Highlights

It's "Back to School" time and "Full STEAM Ahead"! The September Curriculum, with "Ready, Set, Learn" as our monthly theme, will focus weekly on "Back To School" Concepts, Making New Friends, All About Me, School Rules and Basic Manners. We will be establishing our classroom and school expectations, practicing our important routines like hand-washing and learning safety protocols and we will be using positive reinforcement to help all children understand these expectations and follow our classroom rules.

PRESCHOOL BACK-TO-SCHOOL-NIGHT

This is a wonderful opportunity for parents and teachers to meet and hear about what your child will be learning this year. Kids Klub will have childcare available at hourly rates. Please arrange for childcare if needed in advance with the Front Office.
