Hoppy's Highlights

This month, we are hosting Preschool Parent-Teacher Conferences. Each teacher has dedicated dates to meet with parents and discuss your child's progress with their undivided attention. Please sign up for a meeting with your child's teacher on the days assigned to her/him. You will also receive a detailed progress report on your child's development.

Our annual Hoppy & Friends Olympics falls on Friday, April 4th. This is Kids Klub's biggest fundraiser of the year! Participating children are sponsored by their families & friends to raise funds for Kids Klub Children's Charities. All children in attendance will participate in some wacky & wild Olympic events.

DID YOU KNOW?

Stacy Flores is more than just our Afternoon and Evening/Weekend Front Office team member. She is also a School Age, Preschool, and Evening/Weekend Floater, making her one of our most versatile staff members at Kids Klub. She started with us in January 2022. We are thrilled to have her here at our Pasadena location. When she's not at Kids Klub, you can find Stacy at a Comic Convention or an amusement park!

Director's Corner

Any fun traditions for Spring Break, Easter or Earth Day?

For Easter, my family and I have a huge Easter Egg hunt with all the children in the family, followed by a barbecue if the weather permits. It's a wonderful time to spend with loved ones!

"We may have our differences, but nothing's more important than family."
