## Hoppy's Highlights

In the month of December we will be exploring fun, exciting and important themes that continue to develop your child's social and emotional skills as well as stimulate their natural curiosity of the world around them. We will be focusing on teaching your children about change and learning how people all around the world for thousands of years have been embracing and celebrating change with the coming of the Winter Solstice. December also brings with it a new level of art and creativity as the children enjoy holiday art projects, music, songs, dance, costumes, and the making of gifts for others for the holidays.

## Director's Corner

What is your favorite part of the holidays?

"Every year my family and I go to the mountains and enjoy some time together. We drink hot cocoa next to the fireplace and play board games!"

"May your celebrations shine brightly and fill your heart with everlasting joy."

— Unknown

# Hoppy Spotlight
