Hoppy's Highlights

Welcome back to a new school year! We are so excited for what this school year has to offer! This is the perfect time to attend our Meet & Greets with the teachers from each component. This is a very informative time to learn the differences of each component and to ask the teachers any questions you have. Attendance is highly recommended!

Dates & Times Below:

2's Component

August 12th

We kick off the month with warmth and light from the Sun and move on through the month learning all about the solar system we are a part of and how each part of the solar system is unique and plays a role in the daily life on our planet. This month will be a wonderful month of friendships, sharing, and pure fun before it is time to transition to our Back to School Curriculum for September!
