Hoppy's Highlights

Our children made special Heart Mail Bags to receive Valentines from their friends. Throughout the week, the children learned about friendship and sharing our hearts with others. Each class made it a special day with arts and crafts, stories, singing, and making raspberry popsicles in Kitchen Creation. The School Age children had a sweet carnival with games and face painting.

As spring approaches, we want to inform families of our annual Hoppy & Friends Olympics in April. This is Kids Klub's biggest fundraiser of the year! Participating children are sponsored by their families & friends to raise funds for Kids Klub Children's Charities. All children in attendance will participate in some wacky & wild Olympic events.

Sponsor an Olympian!

DID YOU KNOW?

This past month, we had our All Staff Meeting. Our staff received Kids Klub's

most prestigious award: the Golden Hoppy. This award is given to staff who have gone above & beyond. We are so proud of everyone who received one and will continue to celebrate them and all of their accomplishments. Please congratulate our amazing staff for all they do for the children and Kids Klub! From left to right:

Ms. Jacqueline - Monkey Teacher
Ms. Lihua - Giraffes Teacher

What's Hoppy-ning!

St. Patrick's Day Celebration

Monday, March 17th, 2025

Director's Corner

What's your favorite part of Spring?

I look forward to Spring with the longer daylight, warm weather and outdoor activities. Being new to this area, I am looking forward to finding new coffee shops, parks, and unique places to discover. If you know of any, let me know.

"Spring is the perfect time to turn over a new leaf." - Unknown

Hoppy Spotlight

Face painting fun! We love helping our friends prepare for an exciting celebration.

Using our imagination to transform into prehistoric dinosaurs!

Enjoying a nutritious snack with friends and getting energized for Valentine's fun!

Gifting our friends special gifts to show our love!

Using our fine motor skills to create hand-made crafts and toys.

We expressed our unique selves by designing colorful Valentine's Day bags.
