Hoppy's Highlights

The children had a wonderful time during our Valentine's Day celebration! We talked about restaurant etiquette, like how to place your order with confidence and how to engage in polite, friendly conversation with others at the table. We also introduced them to the concept of a three-course meal. It was a chance for them to not only enjoy a delicious meal but also learn about dining experiences and the joy of sharing a meal in a thoughtful, fun way!

We are kicking off our Hoppy & Friends' Olympics, which is our annual Kids Klub fundraiser. All children in attendance will participate in some wacky & wild Olympic events and receive winning medals!

DID YOU KNOW?

This past month, we had our All Staff Meeting. Our Eagles teacher, Kylie "Swish", received Kids Klub's most prestigious award: the Golden Hoppy. This award is given to the staff who have excelled and gone above and beyond. We are so proud of Swish and will continue to celebrate her and all her accomplishments. Thank you Kylie "Swish" for all you do at Kids Klub!

What's your favorite part of spring?

In spring, I love how the longer days and shifting weather make every outdoor adventure even more enjoyable. It's the perfect time to travel, explore, and soak up the sunshine. Spending quality time with my family during this season just makes everything feel even more special.
