On Sunday, April 12, 2020 Kids Klub will be closed due to Easter Sunday. There will not be any evening/weekend care.

Hoppy and Friends Olympic Championship Games!

It's finally here! Kids Klub's biggest fundraiser of the year! Every child will go for gold by participating in Olympic themed games! Remember, please submit your donations to the front office by March 27th so we can represent your child's name on our gold, silver, and bronze banners!

How We're Staying Healthy

Kids Klub has increased its prevention efforts across the center. We have installed hand sanitizers at all entrances and exits. We are also providing face masks for those who need an accommodation. All Kids Klub staff and families are highly encouraged to hand sanitize before entering the facility then proceed to washing your hands at the nearest restroom.

We would like to introduce our new chef, **Luis Garduno!**
Please stop by and give him your warmest welcome!
